Unpaid Meal Charges Policy 2022-2023 School Year

Our school year starts on August and at the end of each month our FACTS Management Payment collection system sends out emails to parents/guardians to notify them how much is owed for meals for the previous month.

Parents/ guardians are encouraged to pay it through FACTS Management. If that is not possible, check or cash will be accepted in the school office.

All bills owed for meals for the previous month must be paid by the 15th of each month. For example- August meals need to be paid by September 15th. On the 15th of the month, parents will be notified via email, phone call or letter that they still have a balance for meals.

If meals are not paid up by the end of the school year, the balance owed will be carried over to the new school year and the parent may not register the child for our school until all accounts are paid in full.
